STIPULATION AND [PROPOSED] ORDER

IT IS HEREBY STIPULATED by the parties, subject to the approval of the Court, that the deadline for plaintiffs to serve their initial infringement contentions is extended from March 27, 2017, to April 3, 2017, and the deadline for defendant to serve its initial invalidity contentions is extended from April 27, 2017, to May 4, 2017. *See* D.I. 36. Notwithstanding these extensions, plaintiffs shall identify the initial claims they intend to assert on March 27, 2017; such list is subject to further amendment (including narrowing) or supplementation as discovery continues.

At plaintiffs' request, the parties seek these extensions to provide them with sufficient time to finalize their contentions. Defendant does not oppose plaintiffs' request.
